Pro Se Participant Electronic Case Files Registration Agreement

By submitting this registration form, the undersigned agrees to abide by the following rules:

This ECF system is for use only in cases designated by the United States Bankruptcy Court in the Southern District of New York in which the pro se party has been granted leave to electronically file. The ECF system may be used to file and view electronic documents, docket sheets and notices.

Pursuant to Federal Rule of Civil Procedure 11, every pleading, motion and other paper must be signed by at least one attorney of record or, if the party is not represented by an attorney, all papers must be signed by the party. A registered user's password issued by the Clerk's Office combined with the identification, serves as and constitutes the registered user's signature.

Therefore, a registered user must protect and secure the password issued by the Clerk's Office. If there is any reason to suspect the password has been compromised in any way, it is the duty and responsibility of the registered user to immediately notify the Clerk's Office. This should include the resignation or reassignment of the person with authority to use the password. The Clerk's Office will immediately delete the password from the electronic filing system and issue a new password.

Each registered user desiring to electronically file documents must complete and sign a Pro Se Participant Electronic Case Files Registration Form. Registering as a user constitutes: (1) consent to receive notice electronically and waiver of the right to receive notice by first class mail pursuant to Federal Rule of Civil Procedure 5(b)(2)(D); (2) consent to electronic service and waiver of the right to service by personal service or first class mail pursuant to Federal Rule of Civil Procedure 5(b)(2)(D), except with regard to service of a summons and complaint. Waiver of service and notice by first class mail applies to notice of the entry of an order or judgment.

Notice by electronic means is complete as set forth in the Electronic Case Filing Administrative Policies and Procedures Manual.

A registered user accesses court case information by the court's Internet site or through the Public Access to Court Electronic Records (PACER) Service Center. Although the Clerk's Office manages the procedures for electronic filing, all electronic public access to case file documents occurs through PACER. A PACER login is required in addition to the login and password issued by the Clerk's Office.

By this registration the undersigned agrees to abide by all of the rules and regulations in the Electronic Case Filing Administrative Policies and Procedures

Manual currently in effect and any changes or additions that may be made to such administrative procedures in the future.
